

**To Whom It May Concern,**

This is to confirm that the child **Fahad Al Sultan** has been undergoing a developmental intervention program at our center.

Fahad has been on medical leave from **06/05/2025** until **19/06/2025** as part of his recommended therapeutic protocol. During this period, Fahad received the following sessions:

- **Neuroplasticity-Based Rehabilitation Therapy Sessions (Intensive), focused on:**
  - **Information Processing Therapy Sessions**
  - **Cognitive and Developmental Delay Intervention Plan**
  - **Speech and Behavioral Support Plan**

These sessions are part of a tailored treatment plan designed to support Fahad's neurological development and learning abilities. The intervention is based on scientific protocols targeting processing delays and acquired developmental difficulties.

Please feel free to contact us if further details or follow-up documents are required.

Sincerely,

**Centers' Leading Staff:**

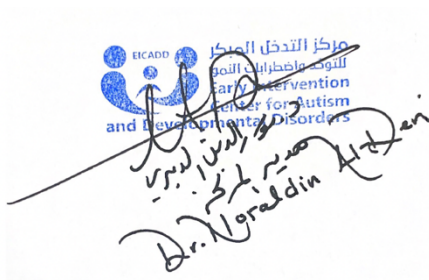

**Speech Therapist:** Ms. Amira Alomari

**Occupational Therapist:** Ms. Malak Jaber

**Psychologist and behaviour therapist (Ajman):** Ms. Asmaa Alshanawi

**EICADD Center Director**

**EICADD**

A handwritten signature in black ink, reading 'Dr. Noralddin Al-Dan', is written over a circular stamp. The stamp contains the EICADD logo and the text 'مركز التدخل المبكر للتوحد واضطرابات النمو Early Intervention Center for Autism and Developmental Disorders'.
