

**Date of Assessment:** 25-06-2025  
**Child's Name:** Eline Mohannad Al-Hih  
**Date of Birth:** 16-05-2022  
**Age:** 37 months  
**Gender:** Female  
**Guardian:** Mohannad

### Assessment Summary:

Eline was assessed on 25-06-2025 and presented with **information processing delays** and **developmental delays**, along with signs of **Hyperlexia Type 1**. These factors have contributed to **minimal acquired features of autism**, though the child does **not meet the criteria** for autism, Hyperlexia Type 3, or Type 2. The child remains in a state open for improvement, and **further evaluation is needed** to refine the intervention plan.

### Recommended Plan:

#### 1. Development Protocol for Information Processing

- Continue the development protocol for **4 months**
- Reassess preferably **in person** after this period
- Establish a new baseline and modify the plan if needed
- Maintain or update intervention as required

EICADD

#### 2. Recommended Tests (through Neurazon – Canada):

**Disclaimer:** These analyses are **external and not conducted at EICADD**. Please refer to the formal report issued by **Neurazon (Canada)** for details. These are suggested to support a deeper understanding of the child's profile and are not obligatory.

#### 3. Recommended Therapy:

- **Mitotherapy Rehabilitation Therapy:** 2–3 sessions per week
- **Speech Therapy (ST):** 2 sessions per week

- **Occupational Therapy (OT):** 2 sessions per week

**Disclaimer:**

This assessment is not a final medical diagnosis but a developmental evaluation based on current observations. The child is open to improvement, and the findings may change with progress and intervention. The recommended tests are external and provided through Neurazon (Canada). These are suggestions, not obligatory, and are intended to support a deeper understanding of the child's developmental profile. Please refer to the plan provided by Neurazon for further information. These tests are not conducted directly through our center.

**Centers' Leading Staff:**

**Speech Therapist:** Ms. Amira Alomari

**Occupational Therapist:** Ms. Malak Jaber

**Psychologist and behaviour therapist (Ajman):** Ms. Asmaa Alshanawi

**EICADD Center Director**

**EICADD**

Dr. Noraldin Al-Dani
